PERFORMANCE EXHAUST

5 Inch Now Available in T409 Stainless Steel XP Series

MBRP's massive five inch exhaust systems for late model Ford, GM, and Dodge diesel pickup trucks are now available in our ever popular XP Series T409 Stainless Steel.

These mandrel bent systems are designed to do one thing, move insane amounts of air out of the engine to create power and sound like nothing else on the market. Designed as a true bolt on system utilizing factory hangers and allowing the use of the factory spare tire, these systems fit right the first time. If you're looking for something to take your truck to next level, look no further than MBRP's XP Series Five Inch Exhaust System for your rig. In stock and shipping now.
