TIMBREN ANNOUNCES NEW E-TRAINING PROGRAM

Available on the website 24/7

Check it out – simply go to the Timbren website www.timbren.com, click the “E-Training” option on the menu bar, select the training that is most beneficial to your business, turn up the volume and enjoy 15 minutes of information about:

- Timbren Suspension Enhancement Systems
- Rubber Technology
- Installations
- Features & Benefits
- Warranties
- Where Used
- Potential Customers.

At the conclusion of the E-Training session, there is a questionnaire. Please complete it and Timbren will e-mail you a personalized Certificate of Completion that you can print from your computer.
