

X-act CONTOUR™

Custom Vehicle Floor Protection

Husky Liners® premium series X-act Contour™ Floor Liners are made from a rubberized material that conforms perfectly to your vehicle's carpeted or vinyl floorboards. The X-act Contour™ floor liners offer a rich texture and soft, flexible feel while providing superior functionality and protection against mud, spills and mess. The Patented Form-Fit Edge™ and raised ribs are designed to help keep damaging spills off your doorsill and carpet and allows for easier entry and exit. Our Liners feature hundreds of molded in "Nibs" on the back to help keep them from shifting and moving into unwanted places on the floor. Backed by our Lifetime Guarantee and Made in the USA.
