the 5NPER REMOTE CONTROL AIR HORN ACTIVATION SYSTEM

Wireless Remote Control Horn Button

The Kleinn Sniper™ Remote Control Air Horn Activation System will honk your air horns from a distance of up to 200-yards away! Imagine the possibilities of an unoccupied vehicle suddenly and unexpectedly sounding an earth-shattering blast all by itself! Honking your Air Horns will never be the same - guaranteed!

Engineered to be easy to install, the Sniper™ includes two Kleinn logo laseretched remote control transmitters, receiver, wiring harness, and installation instructions.
