Installer Benefits

- Takes the guesswork out of accessory sales for dealers with a 36-month/36,000-mile nationwide warranty program
- Addresses dealer vehicle modifications and liability concerns.
- New/Increased selling opportunities at the dealer level.
- Differentiate your company's brand and services from the competition.

"As a participating SEMA ProPledge restyler and manufacturer, SEMA's ProPledge Program has provided increased market visibility, shown measurable market sales increases, and has enabled new business opportunities with automotive OEM and dealership customers. SEMA's ProPledge Program can differentiate restylers and manufacturers in highly competitive markets and industry manufacturing segments."

—Dave Edmonson, Classic Soft Trim

"ProPledge is 'Where the Rubber Meets the Road' in the accessory business. We don't only talk about quality, we guarantee it. ProPledge takes the guess work out of accessories for dealers with a 3-year, 36,000 mile nationwide warranty program. It's been the difference for us in signing several dealer accounts this year."

—Jon Titman, Automotive Essentials, Inc.
