

FOR IMMEDIATE RELEASE

Meyer Logistics Announces New Memphis, TN Cross-Dock

Jasper, IN | January, 25 2011

Meyer Logistics, Inc., a leader in specialty transportation services, announces the addition of its new Memphis, TN facility.

The new Memphis cross-dock will have a direct link to Meyer's Jasper, IN hub distribution center. Meyer will now provide early morning route delivery to the Memphis metro area four days per week.

"The new Memphis cross-dock is lined up strategically with our busy Dallas, TX shipping lane and will provide the Memphis metro area with the industry's highest level of service," states Jason Braun, Executive Vice President of Meyer Distributing. "The new Memphis dock is just one of many in the plans for 2011 as we continue to expand our logistical network to better serve our customers."

About Meyer Logistics, Inc.

Meyer Logistics is a leader in specialized transportation services. Through numerous strategically positioned warehousing facilities, Meyer provides highly capable freight delivery and serves as the backbone of Meyer Distributing's vast distribution network.
