Meyer Distributing Announces Knoxville, TN Location

Jasper, IN | December, 9 2011

Meyer Distributing, Inc., a leader in automotive specialty products marketing and distribution, announces the addition of its new Knoxville, TN location.

The new cross-dock will have a direct feed from Meyer's Jasper, IN hub distribution center, which houses one of the largest inventories of automotive accessories in the industry, and will offer enhanced delivery coverage throughout the region.

"The addition of the Knoxville cross-dock enhances our ability to offer logistical services throughout the region," states Jason Braun, executive vice president of Meyer Distributing. "The new site has been integrated with our existing Memphis and Nashville warehouses and will provide high performing coverage throughout the entire state of Tennessee and beyond. The three sites together add strategically to our long-term mid-south region distribution framework and the beginning of many planned additions for 2012."
