

FUNCTIONALITY FOR YOUR FORD TRANSIT.

Heavy-duty custom bulkheads with high visibility

Full range of storage options including shelving, drawer units, cabinets and more

Several roof rack options

Hundreds of accessories to meet your specific organization requirements

NOW THE BACK OF THE FUEL-EFFICIENT, THOROUGHLY MODERN FORD TRANSIT CONNECT IS EQUALLY FORWARD-THINKING.

The WEATHER GUARD® Ford Transit Connect van storage solution features a custom bulkhead, space-maximizing design, and a wide range of shelving and accessory options to accommodate any type of business. All backed by WEATHER GUARD® quality and a Limited Lifetime Warranty.

BULKHEADS

BULKHEADS FOR PROTECTION AND SECURITY

The WEATHER GUARD® custom bulkhead, designed to fit the Ford Transit Connect's contours, provides excellent protection against shifting loads, minimizing rattling and optimizing space. For even greater visibility, a wire mesh bulkhead is available (see inset above), along with wire mesh window screens. Quality built with heavy-duty 16-gauge steel for long-lasting durability, security and protection.

BULKHEAD

Model	Description	Ship Wt.
88560-3-01	Steel	44 lbs.
88565-3-01	Wire Mesh	44 lbs.
