WARN W-SERIES OFF-ROAD LIGHTS: SPECIAL PROMOTIONAL OFFER

**Buy six sets of WARN
W-Series Lights, get five
wall-mounted display
shelves FREE.**

Here's how it works:

- Contact your WARN Authorized Distributor to order the W-Series Light Promotion Package PN 81665
- Package includes one set each of the W700D-HID, W400D-HID, W650D, W650F, W350F, and W2030F lights; five display shelves and product information cards
- Package will ship directly to you from Warn Industries. Please allow four weeks for delivery.

Shelves are constructed of black powder-coated steel, and drilled to mount any W-Series Light (excluding the W700D-HID). They are designed to mount into your existing standard slat wall or wire grid displays. Shelves include a complete set of product information cards, which slide into the front display frame built in to each shelf.

To place your order, contact your WARN Authorized Distributor

Please mention this flyer when placing your order.
