## 2001-10 GM C/K2500HD & C/K3500

### 6" BUDGET SYSTEM

#### OVERVIEW

For a limited time Fabtech has created the 6" Budget System for early model HD's to provide value and quality at a low price.

This system features our proven extended ductile steering knuckles that utilize lower control arm crossmembers constructed of 1/4" thick steel. The crossmembers are arched for increased ground clearance while tubular cross braces provide additional strength.

The system also includes front differential skid plate, sway bar links, torsion bar drop brackets, front and rear bump stops, 4" rear block and u bolt kit along with four Performance Shocks.

#### FEATURES AND BENEFITS

- Complete 6" system includes four Performance Shocks
- Low price system with Fabtech quality
- Fastest installing HD system on the market
