New HDX Grille Guard

Ford, Chevy and GM Applications

IN-STOCK NOW!

Westin's New **HDX Grille Guard** is made of a 1-piece welded construction with interior and support light guard brackets made of 1" tube. Uprights are fully lined with 1/8" thick and 2" wide rubber to protect the grille guard from bumps and scrapes at the outer most part of the uprights. The HDX Grille Guard also features a full punch plate center grille to intercept impact from flying debris.

HDX - HEAVY DUTY XTREME GRILLE GUARD

- 2" tube, full wrap around wings
- Full "Punch Plate" grille
- 1-Piece welded uprights
- HD rubber upright strips
- 1" tube for support wings
