GM Trucks

3.2106R
Leaf Spring Set

- Fits most 1977-87 GM 2WD & 4WD Trucks with 305/350 V8
- HYPER-FLEX Performance polyurethane inserts for clam shell motor mounts are smooth running, but contain the torque resistant strength of hard running metal mounts.

- Fits most 1973-87 GM 2WD & 4WD Trucks
- Combining heavy duty strength with high performance, Energy Suspension leaf spring sets help to improve handling and control in any vehicle application.
