

NEW RELEASE

NEW! **EVO** HT

MOST POWERFUL FORD 6.7L PROGRAMMER AVAILABLE

HT
HAND-HELD TUNER

The EvoHT is the premium hand-held performance tuner from Edge Products. The EvoHT was developed specifically to give you the most power at the best price, with industry leading service and quality that comes standard with every Edge product.

With the Edge EvoHT, you literally hold the power to unlock the hidden potential of your truck or SUV's power and fuel economy in the palm of your hand!

FEATURES*

- Available for 2011/12 Ford 6.7L Diesel Trucks
- Adds up to 80 horsepower and 138 ft-lbs of torque
- Calibrated to Ford's most recent updates
- Three tuning levels (Performance, Mileage, and Tow*)
- Selectable shift levels (Mild, Wild, Stock, or Edge recommended)
- Torque management removal
- Adjusts speed limiter
- Improves fuel economy and towing capabilities
- Adjusts for non-stock tire sizes to display true speed
- Transmission tuning to optimize shift points and firmness
- Fan temperature on/off control
- Installs in minutes with no tools required

SCAN TOOL/DIAGNOSTICS

The Evo HT is a full functioning scan tool that reads and clears diagnostic trouble codes

INTERNET UPDATEABLE

The EvoHT is internet updateable via the built-in USB port. Simply plug in and update your EvoHT for the latest updates, software, and calibration files. (in compliance with all CARB requirements regarding downloadable information)

* Results and feature set may vary based on vehicle make, model, and aftermarket upgrades. Tow tune is a stock engine file with option for speed limiter and modified transmission for optimized performance while towing. Read all instructions before installation and/or operation of this product.
